

PartyCAD's Secret

You don't have to be a draftsman to get great results from PartyCAD—the package comes with everything you need. Here, for instance, are some of the album pages from which you will select pieces of furniture to add to your designs. Over 1500 pieces of pre-built furniture come with the package—everything you will need to quickly and easily create professional looking presentations.

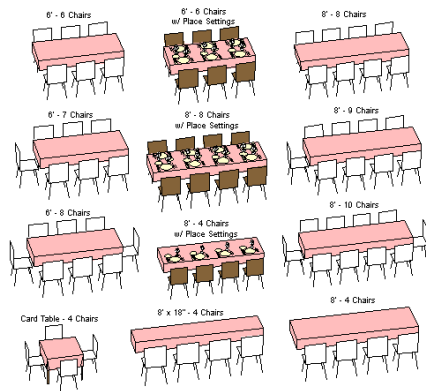

You get tables and chairs for all occasions; casino and catering equipment; p.a. and a.v. equipment; stages, dance floors, pipe and drape modules, pavilions, awnings and signs; and a collection of lawn furniture that includes gazebos, umbrella tables and lattice screens. You also get everything you need to create building interiors/exteriors and landscapes. Finally, you get a large collection of furniture suitable for home and office design. Nearly all of the supplied 3D furniture was created using the package—some of it by people just like you.
